

# State Registered Nurse Aide Training Program

**Cohort Beginning Soon!**

**EKU Manchester**

**New Program Offered by Eastern Kentucky University at the Manchester Campus**

## **SRNA Training Program**

The State Registered Nurse Aide Program at Eastern Kentucky University is Kentucky Cabinet for Health and Family Services approved. The curriculum covers 59 hours of classroom instruction and an additional 16 hours of clinical practice. Cohort #1—Classes are held on Tuesday and Thursday from 5 p.m. to 9 p.m. Cohort #2—Classes are held 9 a.m. to 2 p.m.

Class is limited to 15 students on a first-come, first-served basis.

Tuition— \$600 (must be paid at orientation)

After you successfully complete the training program and pass the State exam, your skills will always be in demand. As a State Registered Nurse Aide, you will be an important part of today's health care system. Your responsibilities will include giving basic nursing and personal care to patients and/or residents. Nursing assistants can work in a variety of settings including hospitals, assisted living facilities long-term care facilities, and home health care agencies.
